 17.10.75 (4782) produced evidence of ability to
 operate standardly on org staff, & has
 received my approval to be on GO lines.
 She should therefore be routed off CCHR
 lines. When she applies for org staff she
 will need to petition per BPL 1 Feb 75 & I
 "Staff Requirements Enforced".

since we have no reason to

expose. We can undercut AMA's continual effort to

expose us by indicating it is a smoke screen to prevent

Freedom from publishing. The Freedom article can explain

how Freedom got onto the story from a tip by Southcott.

So Freedom identifies with Wash Post expose of Nixon's

White House. Spinelli for god measure identifies

AMA will be in the kind of promoting our Freedom Story whenever they push
 this line of attack. MCV Jane

 21.10.75 The policy that applies is PR Series 19-1. David
 has laid down a strategy which is to
 enable us to contain the scene. Our plants
 when dropped are Freedom investigative
 reporters just like any other newspaper.
 The plants themselves do not have to confess
 or be named. Since B-I have cooled some throat
 since they there is unused data for a Freedom AMA
 expose. We can undercut AMA's continual effort to
 expose us by indicating it is a smokescreen to prevent
 Freedom from publishing. The Freedom article can explain
 how Freedom got onto the story from a tip by Southwold.
 So Freedom identifies with Wash Post expose of Nixon's
